Field support across project lifecycles

FIELD-TO-OFFICE

Build, inspect, document, close

WHAT I BRING TO A PROJECT

LEAD THE WORK

Crew leadership, hands-on training, subcontractor coordination, daily reporting, production support, and clear field-to-office communication.

CLOSE QUALITY GAPS

Civil, mechanical, and electrical QA/QC; drawings and specifications; Procore deficiencies; corrective actions; reinspection; root-cause analysis; turnover records.

BUILD THROUGH TURNOVER

Foundations and piles, single-post installation, torque tubes, modules/glass, cable tray and cable pulls, combiner/inverter support, remediation, red-rope, and commissioning support.

CONTROL FIELD FLOW

Receiving and offloading, BOL verification, material handling, logistics, inspection readiness, equipment coordination, and owner/subcontractor documentation.

PROGRESSIVE FIELD LEADERSHIP

- **2023-2024 QC Remediation Foreman**

DCSS | Smithfield, VA

- **2022 QC Technician**

Wanzek

- **2021 QA/QC Supervisor**

PeopleReady / RES

- **2019-2021 QA/QC Supervisor**

Aerotek

- **2018-2019 RPCS Site Lead I**

SWI

- **2018 Quality / Remediation Foreman**

SEC Solar

- **2016-2017 Site Superintendent**

AP Alternatives

- **2015-2016 Quality Foreman**

AUI / HCS

SYSTEMS, HARDWARE AND FIELD TOOLS

Procore | NEXTracker | GameChange Solar | Array Technologies | First Solar Series 6 | LONGi modules | Sungrow inverters | Shoals combiner boxes | Torque tools | Huck guns | Pull testing | Torque verification

EVIDENCE OF VALUE

- Led remediation and inspection work toward compliance, mechanical completion, and project turnover.
- Delivered hands-on installation and inspection-readiness training that reduced repeated structural rework.
- Supported organized, incident-free site operations across a 15-month project period.

BEST-FIT ASSIGNMENTS

QA/QC Supervisor | QC / Remediation Foreman | Site Lead | Field Coordinator | Assistant Superintendent | Commissioning and Turnover Support

Equipment: Hands-on skid-steer operation with side-mounted post-driving attachment; PD10 training; ready for employer/site recertification.
